

Membership Benefits 2020

With your dues payment for 2020, every home visiting staff member in your agency will receive the entire package of ASTHVI membership benefits, including:

- Professional development opportunities informed and shaped by your peers
- Access to best practices developed and vetted by your peers
- Opportunities to participate in a variety of committees comprised and led by home visiting administrators to communicate with HRSA and ACF
- First-to-know updates delivered to your inbox covering federal policy developments, association news, and emerging issues within the broader home visiting community
- Ability to convey interests and concerns with one voice to national stakeholders
- Communication platforms, such as website and listserv, for information and resource sharing among home visiting staff
- Unique access to national policymakers in the federal administration, Congressional offices, national model developers, etc.
- Reduced, members-only registration fee for ASTHVI national in-person meetings
- Regular calls, webinars, and forums for members to share challenges, successes, and best practices
